

Golden Horn Elementary School Council Meeting Agenda Policy

Thank you for your interest in GHES Council. We strongly encourage all interested parties to attend and participate in our School Council meetings. To make our time together most effective and to ensure that our upcoming agenda can accommodate your request, GHES Council is asking that you forward to us via email at goldenhorncouncil@gmail.com a brief overview of the issue you would like placed on the agenda as well as any relevant materials you would like us to review.

Also, simply because of the ambitious nature of our agendas, we have (1) placed a 15 minute limitation on all presentations before School Council, including presentation, comments and discussion and (2) request that speakers give us 7 days notice prior to our regularly scheduled meetings which are the first Monday of each month at 7:00. We will make best efforts to accommodate your request at our earliest opportunity, you will be notified by email if/when your item will be on the agenda. Again, thank you very much for your interest in GHES Council.

*Notwithstanding the 7 day notice provision, school council will deal with any urgent matter in a timely way

* Due to the sensitive nature of some issues, not all requests for items to be added to the agenda will be honored. Council will first discuss the issue and determine if the parent has exhausted the [dispute resolution](#) process and if it is appropriate to be added to a public forum. Issues that are not appropriate for a regularly scheduled meeting will be held "in camera" as per our dispute resolution policy and the Education Act. Council takes all parental concern very seriously and in the strictest confidentiality.
